| <b>Cat. No:</b>       | MABN83274                                                                                    |
| <b>Conjugate:</b>     | Unconjugated                                                                                 |
| <b>Size:</b>          | 100µL                                                                                        |
| <b>Clone:</b>         | Monoclonal                                                                                   |
| <b>Concentration:</b> | 1mg/ml                                                                                       |
| <b>Host:</b>          | Mouse                                                                                        |
| <b>Isotype:</b>       | Mouse IgG2a                                                                                  |
| <b>Immunogen:</b>     | Purified recombinant fragment of human TRIM31                                                |
| <b>Reactivity:</b>    | Human                                                                                        |
| <b>Applications:</b>  | IHC 1:100-1:200                                                                              |
| <b>Purification:</b>  | Affinity Purification                                                                        |
| <b>Synonyms:</b>      | TRIM31                                                                                       |
| <b>Form:</b>          | Liquid                                                                                       |
| <b>Buffer:</b>        | Purified antibody in PBS with 0.05% sodium azide                                             |
| <b>Storage:</b>       | Store at 4°C short term. Aliquot and store at -20°C for 12 months. Avoid freeze/thaw cycles. |
