|--------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Product name:</b>     | AKAP14 Rabbit Monoclonal Antibody                                                                                |
| <b>Cat number:</b>       | MABN86173                                                                                                        |
| <b>Conjugate:</b>        | Unconjugated                                                                                                     |
| <b>Size:</b>             | 100µL                                                                                                            |
| <b>Clone:</b>            | Monoclonal                                                                                                       |
| <b>Concentration:</b>    | 1mg/ml                                                                                                           |
| <b>Host:</b>             | Rabbit                                                                                                           |
| <b>Isotype:</b>          | IgG                                                                                                              |
| <b>Immunogen:</b>        | KLH-conjugated synthetic peptide encompassing a sequence within human AKAP14. The exact sequence is proprietary. |
| <b>Reactivity:</b>       | Human,Mouse,Rat                                                                                                  |
| <b>Applications:</b>     | WB 1:500-1:1000                                                                                                  |
| <b>Molecular Weight:</b> | 22 kD                                                                                                            |
| <b>Purification:</b>     | Affinity Purification                                                                                            |
| <b>Form:</b>             | Liquid                                                                                                           |
| <b>Buffer:</b>           | Purified antibody in PBS with 0.05% sodium azide,0.5%BSA and 50% glycerol.                                       |
| <b>Storage:</b>          | Store at 4°C short term. Aliquot and store at -20°C for 12 months. Avoid freeze/thaw cycles.                     |
| <b>Background:</b>       | Recombinant rabbit monoclonal antibody to AKAP14                                                                 |
