| <b>Product name:</b>     | CD315 Mouse Monoclonal Antibody                                                                                                                                                                                                                            |
| <b>Cat number:</b>       | MABN82296                                                                                                                                                                                                                                                  |
| <b>Conjugate:</b>        | Unconjugated                                                                                                                                                                                                                                               |
| <b>Size:</b>             | 100µL                                                                                                                                                                                                                                                      |
| <b>Clone:</b>            | Monoclonal                                                                                                                                                                                                                                                 |
| <b>Concentration:</b>    | 1mg/ml                                                                                                                                                                                                                                                     |
| <b>Host:</b>             | Mouse                                                                                                                                                                                                                                                      |
| <b>Isotype:</b>          | Mouse IgG2b                                                                                                                                                                                                                                                |
| <b>Immunogen:</b>        | Purified recombinant fragment of human CD315 (AA: extra 46-221) expressed in E. Coli.                                                                                                                                                                      |
| <b>Reactivity:</b>       | Human                                                                                                                                                                                                                                                      |
| <b>Applications:</b>     | IHC 1:200-1:1000,ELISA 1:5000-1:20000,FC 1:200-1:400                                                                                                                                                                                                       |
| <b>Molecular Weight:</b> | 98.6kDa                                                                                                                                                                                                                                                    |
| <b>Purification:</b>     | Affinity Purification                                                                                                                                                                                                                                      |
| <b>Form:</b>             | Liquid                                                                                                                                                                                                                                                     |
| <b>Buffer:</b>           | Purified antibody in PBS with 0.05% sodium azide                                                                                                                                                                                                           |
| <b>Storage:</b>          | Store at 4°C short term. Aliquot and store at -20°C for 12 months. Avoid freeze/thaw cycles.                                                                                                                                                               |
| <b>Background:</b>       | Inhibits the binding of prostaglandin F2-alpha (PGF2-alpha) to its specific FP receptor, by decreasing the receptor number rather than the affinity constant. Functional coupling with the prostaglandin F2-alpha receptor seems to occur (By similarity). |
