|--------------------------|---------------------------------------------------------------------------------------------------|
| <b>Product name:</b>     | CGI-43 Rabbit Polyclonal Antibody                                                                 |
| <b>Cat number:</b>       | ABN08721                                                                                          |
| <b>Conjugate:</b>        | Unconjugated                                                                                      |
| <b>Size:</b>             | 100µL                                                                                             |
| <b>Clone:</b>            | Polyclonal                                                                                        |
| <b>Concentration:</b>    | 1mg/ml                                                                                            |
| <b>Host:</b>             | Rabbit                                                                                            |
| <b>Isotype:</b>          | IgG                                                                                               |
| <b>Immunogen:</b>        | The antiserum was produced against synthesized peptide derived from human CG028. AA range:411-460 |
| <b>Reactivity:</b>       | Human,Mouse,Monkey                                                                                |
| <b>Applications:</b>     | WB 1:500-1:2000,ELISA 1:5000-1:20000                                                              |
| <b>Molecular Weight:</b> | 56kDa                                                                                             |
| <b>Purification:</b>     | Affinity purification                                                                             |
| <b>Form:</b>             | Liquid                                                                                            |
| <b>Buffer:</b>           | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% New type preservative N.                |
| <b>Storage:</b>          | Store at 4°C short term. Aliquot and store at -20°C for 12 months. Avoid freeze/thaw cycles.      |
| <b>Background:</b>       | similarity:Belongs to the UPF0550 family.,similarity:Belongs to the UPF0550 family.,              |
