

Product name:	CNP Mouse Monoclonal Antibody
Cat number:	MABN83573
Conjugate:	Unconjugated
Size:	100ul
Concentration:	1mg/ml
Host:	Mouse
Isotype:	Mouse IgG1
Immunogen:	Purified recombinant fragment of human CNP
Reactivity:	Human
Applications:	IHC 1:20-1:100
Molecular Weight:	/
Purification:	Affinity purification
Form:	liquid
Buffer:	Purified antibody in PBS with 0.05% sodium azide
Storage:	Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.

IHC-P analysis of cerebellum tissue by CNP antibody (CNP Mouse Monoclonal Antibody)
