|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product name:</b>     | E Cadherin Rabbit Polyclonal Antibody                                                                                                                                                                                            |
| <b>Cat number:</b>       | ABN03828                                                                                                                                                                                                                         |
| <b>Conjugate:</b>        | Unconjugated                                                                                                                                                                                                                     |
| <b>Size:</b>             | 100µL                                                                                                                                                                                                                            |
| <b>Clone:</b>            | Polyclonal                                                                                                                                                                                                                       |
| <b>Concentration:</b>    | 1mg/ml                                                                                                                                                                                                                           |
| <b>Host:</b>             | Rabbit                                                                                                                                                                                                                           |
| <b>Isotype:</b>          | IgG                                                                                                                                                                                                                              |
| <b>Immunogen:</b>        | A synthetic peptide corresponding to target protein                                                                                                                                                                              |
| <b>Reactivity:</b>       | Human, Mouse, Rat                                                                                                                                                                                                                |
| <b>Applications:</b>     | WB 1:500-1:1000, IHC 1:50-1:100, ICC/IF 1:50-1:200, ELISA 1:5000-1:20000                                                                                                                                                         |
| <b>Molecular Weight:</b> | Calculated MW: 97 kDa; Observed MW: 125-130 kDa                                                                                                                                                                                  |
| <b>Purification:</b>     | Affinity Purification                                                                                                                                                                                                            |
| <b>Form:</b>             | Liquid                                                                                                                                                                                                                           |
| <b>Buffer:</b>           | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide, pH 7.3.                                                                                                                                                  |
| <b>Storage:</b>          | Store at 4°C short term. Aliquot and store at -20°C for 12 months. Avoid freeze/thaw cycles.                                                                                                                                     |
| <b>Background:</b>       | CDH1 a single-pass type I membrane protein, and calcium dependent cell adhesion proteins. It is a ligand for integrin alpha-E/beta-7, and it colocalizes with DLG7 at sites of cell-cell contact in intestinal epithelial cells. |
