|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product name:</b>     | Mannose Phosphate Isomerase (4G9) Mouse Monoclonal Antibody                                                                                |
| <b>Cat number:</b>       | MABN03698                                                                                                                                  |
| <b>Conjugate:</b>        | Unconjugated                                                                                                                               |
| <b>Size:</b>             | 100µL                                                                                                                                      |
| <b>Clone:</b>            | Monoclonal                                                                                                                                 |
| <b>Concentration:</b>    | 1mg/ml                                                                                                                                     |
| <b>Host:</b>             | Mouse                                                                                                                                      |
| <b>Isotype:</b>          | IgG1                                                                                                                                       |
| <b>Immunogen:</b>        | A synthetic peptide of human Mannose Phosphate Isomerase                                                                                   |
| <b>Reactivity:</b>       | Human,Rat                                                                                                                                  |
| <b>Applications:</b>     | WB 1:500-1:1000,ICC/IF 1:50-1:200                                                                                                          |
| <b>Molecular Weight:</b> | Calculated MW: 47 kDa; Observed MW: 47 kDa                                                                                                 |
| <b>Purification:</b>     | Affinity Purification                                                                                                                      |
| <b>Form:</b>             | Liquid                                                                                                                                     |
| <b>Buffer:</b>           | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide, pH 7.3.                                                            |
| <b>Storage:</b>          | Store at 4°C short term. Aliquot and store at -20°C for 12 months. Avoid freeze/thaw cycles.                                               |
| <b>Background:</b>       | Involved in the synthesis of the GDP-mannose and dolichol-phosphate-mannose required for a number of critical mannosyl transfer reactions. |
