|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product name:</b>     | Neurofilament Heavy Polypeptide Rabbit Monoclonal Antibody                                                                                                                                                                                       |
| <b>Cat number:</b>       | MABN85851                                                                                                                                                                                                                                        |
| <b>Conjugate:</b>        | Unconjugated                                                                                                                                                                                                                                     |
| <b>Size:</b>             | 100µL                                                                                                                                                                                                                                            |
| <b>Clone:</b>            | Monoclonal                                                                                                                                                                                                                                       |
| <b>Concentration:</b>    | 1mg/ml                                                                                                                                                                                                                                           |
| <b>Host:</b>             | Rabbit                                                                                                                                                                                                                                           |
| <b>Isotype:</b>          | IgG                                                                                                                                                                                                                                              |
| <b>Immunogen:</b>        | Recombinant protein of human Neurofilament heavy polypeptide                                                                                                                                                                                     |
| <b>Reactivity:</b>       | Human, Mouse, Rat                                                                                                                                                                                                                                |
| <b>Applications:</b>     | WB 1:500-1:1000, IHC 1:50-1:100, ICC 1:50-1:200                                                                                                                                                                                                  |
| <b>Molecular Weight:</b> | Calculated MW: 112 kDa; Observed MW: 180-220 kDa                                                                                                                                                                                                 |
| <b>Purification:</b>     | Affinity Purification                                                                                                                                                                                                                            |
| <b>Form:</b>             | Liquid                                                                                                                                                                                                                                           |
| <b>Buffer:</b>           | Purified antibody in TBS with 0.05% sodium azide, 0.05% BSA and 50% glycerol.                                                                                                                                                                    |
| <b>Storage:</b>          | Store at 4°C short term. Aliquot and store at -20°C for 12 months. Avoid freeze/thaw cycles.                                                                                                                                                     |
| <b>Background:</b>       | Neurofilaments usually contain three intermediate filament proteins: L, M, and H which are involved in the maintenance of neuronal caliber. NF-H has an important function in mature axons that is not subserved by the two smaller NF proteins. |
