

|                       |                                             |
|-----------------------|---------------------------------------------|
| <b>Product name:</b>  | NGF p75 Receptor                            |
| <b>Cat number:</b>    | MAB-11002                                   |
| <b>Conjugate:</b>     | Unconjugated                                |
| <b>Size:</b>          | 100 ug                                      |
| <b>Clone:</b>         | NGFR5                                       |
| <b>Concentration:</b> | 1mg/ml                                      |
| <b>Host:</b>          | Ms                                          |
| <b>Isotype:</b>       | IgG1                                        |
| <b>Reactivity:</b>    | Hu                                          |
| <b>Applications:</b>  | IHC(P), ICC, WB, IP, IF, FC                 |
| <b>Purification:</b>  | Purified                                    |
| <b>Form:</b>          | Liquid                                      |
| <b>Storage:</b>       | Store at -20°C. Avoid freeze / thaw cycles. |
