

|                          |                                                                                                                                         |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product name:</b>     | OTX1 Rabbit Polyclonal Antibody                                                                                                         |
| <b>Cat number:</b>       | ABN00018                                                                                                                                |
| <b>Conjugate:</b>        | Unconjugated                                                                                                                            |
| <b>Size:</b>             | 100µL                                                                                                                                   |
| <b>Clone:</b>            | Polyclonal                                                                                                                              |
| <b>Concentration:</b>    | 1mg/ml                                                                                                                                  |
| <b>Host:</b>             | Rabbit                                                                                                                                  |
| <b>Isotype:</b>          | IgG                                                                                                                                     |
| <b>Immunogen:</b>        | A synthetic peptide of human Otx1                                                                                                       |
| <b>Reactivity:</b>       | Human, Mouse, Rat                                                                                                                       |
| <b>Applications:</b>     | WB 1:500-1:1000                                                                                                                         |
| <b>Molecular Weight:</b> | Calculated MW: 37 kDa; Observed MW: 37 kDa                                                                                              |
| <b>Purification:</b>     | Affinity Chromatography                                                                                                                 |
| <b>Form:</b>             | Liquid                                                                                                                                  |
| <b>Buffer:</b>           | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.                                      |
| <b>Storage:</b>          | Store at 4°C short term. Aliquot and store at -20°C for 12 months. Avoid freeze/thaw cycles.                                            |
| <b>Background:</b>       | Probably plays a role in the development of the brain and the sense organs. Can bind to the BCD target sequence (BTS): 5'-TCTAATCCC-3'. |
