| <b>Form:</b>          | Liquid                                                                                                                                                                                                                                                                          |
| <b>Buffer:</b>        | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% New type preservative N.                                                                                                                                                                                              |
| <b>Storage:</b>       | Store at 4°C short term. Aliquot and store at -20°C for 12 months. Avoid freeze/thaw cycles.                                                                                                                                                                                    |
| <b>Background:</b>    | This gene is a member of family of proteins that are expressed in a variety of tumors and in some fetal and reproductive tissues. Multiple alternatively spliced transcript variants have been observed. [provided by RefSeq, Jan 2015],similarity:Belongs to the GAGE family., |
