|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product name:</b>  | POTE-8 Rabbit Polyclonal Antibody                                                                                                                    |
| <b>Cat number:</b>    | ABN16384                                                                                                                                             |
| <b>Conjugate:</b>     | Unconjugated                                                                                                                                         |
| <b>Size:</b>          | 100µL                                                                                                                                                |
| <b>Clone:</b>         | Polyclonal                                                                                                                                           |
| <b>Concentration:</b> | 1mg/ml                                                                                                                                               |
| <b>Host:</b>          | Rabbit                                                                                                                                               |
| <b>Isotype:</b>       | IgG                                                                                                                                                  |
| <b>Immunogen:</b>     | The antiserum was produced against synthesized peptide derived from human POTE. AA range:375-424                                                     |
| <b>Reactivity:</b>    | Human,Rat,Mouse                                                                                                                                      |
| <b>Applications:</b>  | IHC 1:100-1:300,ICC/IF 1:50-1:200,ELISA 1:5000-1:10000                                                                                               |
| <b>Purification:</b>  | Affinity purification                                                                                                                                |
| <b>Form:</b>          | Liquid                                                                                                                                               |
| <b>Buffer:</b>        | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% New type preservative N.                                                                   |
| <b>Storage:</b>       | Store at 4°C short term. Aliquot and store at -20°C for 12 months. Avoid freeze/thaw cycles.                                                         |
| <b>Background:</b>    | similarity:Belongs to the POTE family.,similarity:Contains 5 ANK repeats.,similarity:Belongs to the POTE family.,similarity:Contains 5 ANK repeats., |
