

|                          |                                                                                                                                                                                              |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product name:</b>     | Prostein (16Q10) Rabbit Monoclonal Antibody                                                                                                                                                  |
| <b>Cat number:</b>       | MABN16529                                                                                                                                                                                    |
| <b>Conjugate:</b>        | Unconjugated                                                                                                                                                                                 |
| <b>Size:</b>             | 100µL                                                                                                                                                                                        |
| <b>Clone:</b>            | Monoclonal                                                                                                                                                                                   |
| <b>Concentration:</b>    | 1mg/ml                                                                                                                                                                                       |
| <b>Host:</b>             | Rabbit                                                                                                                                                                                       |
| <b>Isotype:</b>          | IgG                                                                                                                                                                                          |
| <b>Immunogen:</b>        | A synthetic peptide of human Prostein                                                                                                                                                        |
| <b>Reactivity:</b>       | Human                                                                                                                                                                                        |
| <b>Applications:</b>     | IHC 1:200-1:2000,IF-P 1:200-1:2000                                                                                                                                                           |
| <b>Molecular Weight:</b> | 59kDa                                                                                                                                                                                        |
| <b>Purification:</b>     | Affinity purification                                                                                                                                                                        |
| <b>Form:</b>             | Liquid                                                                                                                                                                                       |
| <b>Buffer:</b>           | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% New type preservative N and 50% glycerol. Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle. |
| <b>Storage:</b>          | Store at 4°C short term. Aliquot and store at -20°C for 12 months. Avoid freeze/thaw cycles.                                                                                                 |
| <b>Background:</b>       | Marker for prostate cells. May be used, in case of prostate cancers, as a target antigen for prostate carcinomas-directed cytotoxic T-cell lymphocytes.                                      |
