|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product name:</b>     | Serum Amyloid A (1K10) Rabbit Monoclonal Antibody                                                                                                                                            |
| <b>Cat number:</b>       | MABN17770                                                                                                                                                                                    |
| <b>Conjugate:</b>        | Unconjugated                                                                                                                                                                                 |
| <b>Size:</b>             | 100µL                                                                                                                                                                                        |
| <b>Clone:</b>            | Monoclonal                                                                                                                                                                                   |
| <b>Concentration:</b>    | 1mg/ml                                                                                                                                                                                       |
| <b>Host:</b>             | Rabbit                                                                                                                                                                                       |
| <b>Isotype:</b>          | IgG                                                                                                                                                                                          |
| <b>Immunogen:</b>        | A synthetic peptide of human Serum Amyloid A                                                                                                                                                 |
| <b>Reactivity:</b>       | Human                                                                                                                                                                                        |
| <b>Applications:</b>     | WB 1:1000-1:5000,IHC 1:100-1:200,IF-P 1:100-1:200                                                                                                                                            |
| <b>Molecular Weight:</b> | 14kDa                                                                                                                                                                                        |
| <b>Purification:</b>     | Affinity purification                                                                                                                                                                        |
| <b>Form:</b>             | Liquid                                                                                                                                                                                       |
| <b>Buffer:</b>           | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% New type preservative N and 50% glycerol. Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle. |
| <b>Storage:</b>          | Store at 4°C short term. Aliquot and store at -20°C for 12 months. Avoid freeze/thaw cycles.                                                                                                 |
| <b>Background:</b>       | Major acute phase reactant. Apolipoprotein of the HDL complex. Major acute phase protein.                                                                                                    |
