|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product name:</b>     | SynapsinII Rabbit Monoclonal Antibody                                                                                                                                                                                          |
| <b>Cat number:</b>       | MABN84557                                                                                                                                                                                                                      |
| <b>Conjugate:</b>        | Unconjugated                                                                                                                                                                                                                   |
| <b>Size:</b>             | 100µL                                                                                                                                                                                                                          |
| <b>Clone:</b>            | Monoclonal                                                                                                                                                                                                                     |
| <b>Concentration:</b>    | 1mg/ml                                                                                                                                                                                                                         |
| <b>Host:</b>             | Rabbit                                                                                                                                                                                                                         |
| <b>Isotype:</b>          | IgG                                                                                                                                                                                                                            |
| <b>Immunogen:</b>        | A synthesized peptide derived from human Synapsin 2                                                                                                                                                                            |
| <b>Reactivity:</b>       | Human, Mouse, Rat                                                                                                                                                                                                              |
| <b>Applications:</b>     | WB 1:1000-1:2000                                                                                                                                                                                                               |
| <b>Molecular Weight:</b> | 63 kDa                                                                                                                                                                                                                         |
| <b>Purification:</b>     | Affinity Purification                                                                                                                                                                                                          |
| <b>Form:</b>             | Liquid                                                                                                                                                                                                                         |
| <b>Buffer:</b>           | Purified antibody in PBS with 0.05% sodium azide, 0.05% BSA and 50% glycerol.                                                                                                                                                  |
| <b>Storage:</b>          | Store at 4°C short term. Aliquot and store at -20°C for 12 months. Avoid freeze/thaw cycles.                                                                                                                                   |
| <b>Background:</b>       | Neuronal phosphoprotein that coats synaptic vesicles, binds to the cytoskeleton, and is believed to function in the regulation of neurotransmitter release. May play a role in noradrenaline secretion by sympathetic neurons. |
