

|                       |                              |
|-----------------------|------------------------------|
| <b>Product name:</b>  | Tubulin alpha (Acetyl Lys40) |
| <b>Cat number:</b>    | MAB-94328                    |
| <b>Conjugate:</b>     | Unconjugated                 |
| <b>Size:</b>          | 100 ul                       |
| <b>Clone:</b>         | 4A8                          |
| <b>Concentration:</b> | 1mg/ml                       |
| <b>Host:</b>          | Ms                           |
| <b>Isotype:</b>       | IgG1                         |
| <b>Reactivity:</b>    | Hu, Ms, Rt                   |
| <b>Applications:</b>  | WB, IHC(P9                   |
| <b>Purification:</b>  | Aff. Pur.                    |
| <b>Form:</b>          | Liquid                       |
