|--------------------------|--------------------------------------------------------------------------------------------------------------|
| <b>Product name:</b>     | WTAP (4C15) Rabbit Monoclonal Antibody                                                                       |
| <b>Cat number:</b>       | MABN19937                                                                                                    |
| <b>Conjugate:</b>        | Unconjugated                                                                                                 |
| <b>Size:</b>             | 100µL                                                                                                        |
| <b>Clone:</b>            | Monoclonal                                                                                                   |
| <b>Concentration:</b>    | 1mg/ml                                                                                                       |
| <b>Host:</b>             | Rabbit                                                                                                       |
| <b>Isotype:</b>          | IgG                                                                                                          |
| <b>Immunogen:</b>        | Recombinant protein of human WTAP                                                                            |
| <b>Reactivity:</b>       | Human                                                                                                        |
| <b>Applications:</b>     | WB 1:500-1:2000,IHC 1:50-1:200,ICC/IF 1:200-1:500,FC 1:200-1:500,IP 1:20-1:50                                |
| <b>Molecular Weight:</b> | 44kDa                                                                                                        |
| <b>Purification:</b>     | Affinity purification                                                                                        |
| <b>Form:</b>             | Liquid                                                                                                       |
| <b>Buffer:</b>           | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA. |
| <b>Storage:</b>          | Store at 4°C short term. Aliquot and store at -20°C for 12 months. Avoid freeze/thaw cycles.                 |
