|--------------------------|-----------------------------------------------------------------------------|
| <b>Product name:</b>     | TOMM20 Mouse Monoclonal Antibody                                            |
| <b>Cat number:</b>       | MABN83301                                                                   |
| <b>Conjugate:</b>        | Unconjugated                                                                |
| <b>Size:</b>             | 100 ug                                                                      |
| <b>Concentration:</b>    | 1mg/ml                                                                      |
| <b>Host:</b>             | Mouse                                                                       |
| <b>Isotype:</b>          | Mouse IgG1                                                                  |
| <b>Immunogen:</b>        | Purified recombinant fragment of human TOMM20                               |
| <b>Reactivity:</b>       | Human,Rat,Mouse                                                             |
| <b>Applications:</b>     | WB 1:500-1:1000,IHC 1:100-1:200,IP 1:100-1:200                              |
| <b>Molecular Weight:</b> | Observed MW: 16 kDa                                                         |
| <b>Purification:</b>     | Affinity Purification                                                       |
| <b>Form:</b>             | Liquid                                                                      |
| <b>Buffer:</b>           | Purified antibody in PBS with 0.05% sodium azide                            |
| <b>Storage:</b>          | Aliquot and store at -20°C (valid for 12 months). Avoid freeze/thaw cycles. |
| <b>Synonyms:</b>         | TOMM20                                                                      |
| <b>Source:</b>           | Mouse                                                                       |
